

### Onion Fundamentals:

- Government has increased the MEP of \$500/ ton from \$300/ton to curb down the rising prices.
- Kharif sowing has started which is already delayed by 10-15 days. So far it is expected that if situation remains same we are expecting a total production of 45-50 lakh ton compared to previous year production of approximately 60 lakh ton.
- In Karnataka, major kharif growing districts are Gadag, Dharwad, Bijapur, Bagalkot and Chitradurga which contributes approximately 70% of total production.
- In Delhi, as per consumer affairs data wholesale modal prices are hovering around Rs 1950/ quintal whereas retail prices are in the range of Rs 2900/ quintal.

### Onion wholesale Prices & Arrivals in Producing & Consumption Centers
