

Onion Fundamentals:

- In Gujarat as per state horticulture department onion acreage this season has declined to 44500 hectares compared to previous year's acreage of 72600 hectares.
- Late kharif production in Maharashtra is less as compared to previous year due to less acreage (down by 14%) and further lower yield. Late kharif onion comes in the market till mid of March and after this rabi onion starts coming.
- In Bangalore, onion is arriving in market from local region and Maharashtra which are contributing approximately 40% and 60% respectively.
- In M.P, onion is arriving in market from local region and Maharashtra which are contributing approximately 60% and 40% respectively.
