

### Onion Fundamentals:

- Weak sentiment witnessed in major domestic market on Friday.
- Rainfall in major growing state in Maharashtra hampers the supply to the market. Sources revealed that, onion quality also affected due to heavy rainfall.
- Supply reported down in onion domestic market. Due to rainfall in Maharashtra lower quality arrivals reported.
- In Maharashtra, average yield of this Rabi season is estimated to be 17.47 ton/ha against after considering the crop damage. Prior to rains & hailstorms, farmers average yield expectation was 21.5 ton/ha which is a good yield.
- In M.P, Onion area reported down due to less availability of water and crop shifting to potato and coriander seed as price of these commodities were ruling higher during sowing time.

### Onion wholesale Prices & Arrivals in Producing & Consumption Centers
