

## Onion Fundamentals:

- NAFED has procured around 1100 tons of onion from Lasalgaon and Pimpalgaon APMC to stabilize onion prices in domestic market under Price Stabilization Fund (PSF) by central Government.
- A.P contributes approximately 30% of total production in Kharif season. So far in Kurnool approximately 10600 hectares area is sown.
- In Lasalgaon market prices are stable from last one week and hovering in the range of Rs 1400- Rs 2000/ quintal.
- In Maharashtra, kharif onion transplanting may decrease due to delay in monsoon. But if monsoon is timely and proper, kharif area may increase due to higher prices this year.

## Onion wholesale Prices & Arrivals in Producing & Consumption Centers
