

Onion Fundamentals:

- In Delhi, onion modal prices are trading at Rs 1390/ quintal compared to Rs 1500/ quintal during corresponding time last year.
- In major producing regions arrivals are continuously increasing with decrease in onion prices due to full fledged supply of kharif onion in market.
- In Maharashtra, farmers are agitating and demanding the central Government to reduce or remove the MEP (Minimum Export Price) on onion which may increase the export and may support the falling onion prices.
- In Bangalore, onion is arriving in market from local region and Maharashtra which are contributing approximately 50% each to the total arrivals.

Onion wholesale Prices & Arrivals in Producing & Consumption Centers
