Potato Fundamentals:

- In West Bengal, cold storages are filled by approximately 84-86% of their total capacity which is approximately 90 lakh ton.
- Across the country, potato prices are firm due to less filled cold storages compared to previous year and market is expected to be firm ahead.
- In Kanpur domestic market demand coming from Bihar region. Market participants were expecting 15 20% production may decrease in current year.
- In Khandauli (Agra), prices are hovering in the range of Rs 1000/ quintal compared to previous year price of Rs 750/ quintal during same time last year.
- MCX future market is trading at higher prices compared to previous year because of crop loss in major producing regions and less stored potato than last year.
