

Potato Fundamentals:

- In West Bengal, so far approximately 64% of potatoes have been released. Prices are expected to remain firm throughout the season.
- In most of the markets arrivals have declined because of the festival season. Arrivals are expected to pick up pace because festival season is over.
- In Bangalore 95% crop is arriving in market from "Hassan" whereas rest crop is coming from Belgaum and U.P.
- Across the country prices are expected to fall down further in couple of weeks as "Navratri" festival are over and demand is stable. Prices are expected to fall down after mid October.
