

Potato Fundamentals:

- In U.P fresh crop is continuously arriving in market from different parts of the region. Prices are trading in the range of Rs 450- Rs 750/ quintal and expected to remain range bounded for next few weeks.
- In Bihar, potato area is estimated to be approximately 10-12% higher than last year. Potato prices are expected to remain low this year because of higher production estimate.
- According to trade sources in West Bengal, potato prices are expected to remain lower this year due to higher production in the State and other supplying States like Orissa.
- In Bangalore, potato is arriving in market from Indore, Hyderabad and local region. Local region potato is contributing approximately 45% to total arrival.

Potato Wholesale Prices & Arrivals trend in Consumption Centers
