

## Potato Fundamentals:

- In Bangalore, potato is arriving in market from local region (Kolar) and M.P which are contributing approximately 60% and 40% respectively to total arrival.
- According to trade sources in U.P, cold storages are expected to open in next few days and loading may start in first week of March.
- In M.P, loading in cold storages has already started and approximately 15% of crop has stored in cold storages.
- In Bihar, potato area is estimated to be approximately 10-12% higher than last year. Cold storages are opened but loading is expected to start only after Holi festival.
