

Potato Fundamentals:

- In Bihar average loading prices are trading in the range of Rs 550- Rs 650/ quintal compared to last year Rs 998/quintal. According to trade sources approximately 95% capacity is utilized with a total capacity of 11 lakh tons.
- In U.P, average loading prices are approximately Rs 400-Rs 450/ quintal compared to last year Rs 950/ quintal which directly indicate higher production in U.P.
- In West Bengal, loading is completed with 100% capacity utilization of 62.5 lakh ton. According to trade sources cold storage are expected to open after mid of May month.
- Across the country prices are expected to be lower throughout the season as cold storages are filled with 100% utilization in all producing regions. Secondly this year loading prices are much lower than last year.

Potato Wholesale Prices & Arrivals trend in Consumption Centers
