

Potato Fundamentals:

- In Delhi, modal prices are trading near Rs 438/ quintal compared to corresponding year Rs 628/ quintal during same period.
- In West Bengal, hybrid variety (Phukraj)/ “kachha Aloo” is arriving in market and yield is lower this year of this crop because of unfavorable weather conditions. Loading in cold storages is expected to start from 25th February.
- In U.P, traders are expecting lower production this year because of lower rains and unfavorable weather conditions during time of sowing which has affected yield.
- In U.P, prices are tightening slowly as loading in cold storages has started in smaller quantity but peak loading is expected to start after 25th February.

Potato Wholesale Prices & Arrivals trend in Consumption Centers
