

Potato Fundamentals:

- Most of major Potato markets closed on Friday due to Gudi Padwa festival. Only Delhi Potato market traded lower despite of lower arrivals compared to previous day as reported.
- In Punjab, cold storages are full with 100% utilization in most of the districts. Farmers are still not getting space in cold storages to keep their crop amid higher production.
- Potato supply reported down in the spot market. During March 2016 Potato supply reported around 614400 qtls as compared to last year same period 640800 qtls.
- In West Bengal, fresh crop is expected to continue for next couple of weeks and after that cold storages are expected to open.
- In U.P, loading in cold storages loading is almost completed with approx 85-90% capacity utilization from a total capacity of 119 lakh tons.
