

Pulses Domestic Fundamentals:

Today's Update:

- Tur traded at INR 8,200 per quintal, down by around 4.50%, from INR 8,600 per quintal due to Centre's recent stock declaration order. Govt.'s step has created some panic in the markets as traders are apprehending that it may take some more such steps to curb the rising prices of pulses in near future. Tur prices were moving upwardly since beginning of the July on reports of excess rains, water logging and crop loss in major producing states Karnataka and Maharashtra. However, fundamentally, sentiments remain firm on emerging tight supply.

Previous Update

- To cap on unwarranted price rise in the upcoming high-demand festival months, the Department of Consumer Affairs on 12th August, 2022, issued a directive to all the states and UTs to enforce stock disclosure by stockholders of Tur and also to monitor and verify the stocks. The states/UTs have also been asked to direct stockholder entities to upload the data of stocks held by them on the online monitoring portal of the Department of Consumer Affairs, on weekly basis. Currently, the government is holding about 38 lakh tons of pulses which are being released in the market to further augment the stocks available in the market. The Centre is closely watching the overall availability and prices of pulses in the domestic as well as overseas markets to take necessary pre-emptive measures in an event of unwarranted price rise in the upcoming high demand festival months.

International Market Update:

- Lentil Prices in Canada continued to soften as export volume declined in June as compare to May-2022. It exported 186376 MT in June, down by 25% to 248,547 MT in May-2022. Total export sales till June recorded at 14.85 LMT against 21.83 LMT last year till June-2021. Turkey brought 74000 MT while India purchased 39609 MT in June. UAE brought around 14500 MT.
- Total export sales for the month reached 186,376 metric tons (MT), down 25% from the previous month's total of 248,547. So far movement has reached 1,485,608 MT, down from 2,183,398 during the last marketing year.
