Domestic:

The Cabinet Committee on Economic Affairs has increased the MSP of Urad, Moong and Tur to Rs 4625, Rs 4850 and Rs 4625 per quintal respectively, it includes Rs 200 bonus. With emerging short supply and shooting up prices government has offered bonus of Rs 200 per quintal to pulses farmers. It will encourage farmers to grow more pulses this year.

As major pulses growing belts have received good rainfall in recent week, sowing activity for pulses has picked up momentum. Sowing of pulses commences in many states of India like Rajasthan, Maharashtra, Gujarat, Haryana, Tamil Naidu, Andhra Pradesh, Telangana and Karnataka. As per trades/farmers' feedback sowing of moong in Rajasthan may increase by 5% this year and area coverage for moong in Maharashtra and Gujarat could remain same as previous year. In Andhra Pradesh under better rainfall condition and prevailing higher price for Tur area coverage is expected to increase by 5-10% this year.

Area under Kharif pulses throughout the country stood 4.51 lakh hectares as on 19 June this year, around 4.9% higher when compared to the area sown during corresponding period last year which was 4.32 lakh hectares, according to Ministry of Agriculture.
