

Domestic Market Highlights:

Total Rice exported from India in the month of May was 8.18 lakh tons out of which basmati rice contributes 45.34%, and non-basmati rice is 54.66% in this month with quantity of around 3.71 lakh tons and 4.47 lakh tons respectively as per latest data extract from IBIS.

Indian FOB for 1121 steam in the month of May moved up from last month and currently is in the range of USD 885-888/MT which is up by around 1.73% from last month price. Average basmati rice price increased due to increase buying interest for stockpiling which push the price in northward direction. Pakistani basmati price has too up from USD 679/MT to 750\$/MT, according to the UN's Food and Agriculture Organization (FAO). Currently Pakistani basmati FOB is hovering in the range of USD 750-751/MT which is up by 10.45% from last month FOB of USD 679/MT.

The Cabinet Committee on Economic Affairs, chaired by the Prime Minister Shri Narendra Modi, has given its approval for the increase in the Minimum Support Prices (MSPs) for all Kharif Crops of 2016-17 Seasons. The Minimum Support Prices (MSPs) for PADDY of 2016-17 seasons have been increased by Rs. 60/quintal for both common grade paddy and Grade-A Paddy to Rs. 1470/quintal and Rs. 1510/quintal respectively. This is around 4% increases in both paddy from last year price of Rs.1410/Quintal (common grade) and Rs.1450/quintal (Grade-A).

India could sign a deal as early as this week to supply one million tonne of non-basmati rice to Indonesia to help it tide over a local shortage. Once the memorandum of understanding is signed, this would be the highest export of rice from state-run Food Corporation of India's (FCI's) reserves since 2003-04 when it had shipped out 2.78 million tones. For Indonesia, it will be a rare occasion when it sources rice from outside the ASEAN trading bloc, barring the exception of its recent deal with Pakistan.

India's rice stocks in the central pool as on May 1, 2016 stood at around 21.32 million tons down by about 14.75% from around 25.01 million tons recorded during the corresponding period last year, according to data from the Food Corporation of India (FCI). India's rice stocks in the central pool are down about 3.79% from around 22.16 million tons recorded on April 1, 2016. The current rice stocks are about one million tons more than the required strategic reserve norms of around 10.25 million tons for this time of the year, according to the FCI.

Price Outlook:-Average Rice price in all India is likely to trade steady with firm tone due to normal demand and tight supply.

International Market Highlight:

Vietnam rice Export prices were unchanged over the week of April 30-May 6, 2016, compared to the previous week; the prices were high compared to those of other competitors. However, according to trader prices did not fall due to the anticipation of buying demand from the Philippines and Indonesia. And prices were firm at high levels possibly due to the support of the border trade demand from China.

Unofficial preliminary rice exports (excluding premium white and fragrant rice) for May 9-15, 2016 totaled 55,224 metric tons, up 7,129 metric tons from the previous week and down 2,521 metric tons from the four-week moving average of 57,745 metric tons. Rice exports from January 1 – May 15, 2016 totaled 1,376,524 metric tons, up 2 percent from last year.

During the period January 1 – April 21, Vietnam exported about 1.571 million tons of rice, an increase of about 1.23% from in the first four months of last year. The average rice export price so far this year stands at around \$410 per ton (FOB), down about 4% from the same time last year. The USDA Post forecasts Vietnam's MY 2015-16 (January-December) rice exports at 7 million tons, up from last year's 6.615 million tons and unchanged from USDA's official estimates.

For MY 2016/17 Bangladesh (May-April), total rice area and production levels are projected to increase slightly to 11.8 million hectares (HA) and 34.55 million metric tons (MMT) assuming good weather and a recovery in Aman rice area, which fell last year due to flooding in key Districts.
