

Domestic Market Highlights:

- **All-India progressive procurement of Rice as on 17.05.2019 for 2018-19 was at 405.32 lakh tons against** the procurement of 300 lakh tons in the corresponding period of last year. According to available data, in the current kharif marketing season, Punjab has procured 113.34 lakh tones rice, 39.09 lakh tons in Haryana, 40.80 lakh tons in Chhattisgarh, 45.73 lakh tons in Telangana, 32.33 lakh tons in Uttar Pradesh 34.65 lakh tons in Orissa, 32.25 lakh tons in Andhra Pradesh, 13.95 lakh tons in Madhya Pradesh, 16.57 lakh tons in West Bengal, 4.62 lakh tons in Uttarakhand, 11.58 lakh tons in Tamil Nadu, 4.25 lakh tons in Maharashtra and 9.28 lakh tons in Bihar.
- **The Maharashtra government has set up State Agriculture Committee to create a new agri export policy** of the state, which aims to increase the export of rice and fruits.
- **Rice export prices in top exporter India slid this week to their lowest in nearly seven months as demand** continued to stagnate, while rates for Vietnamese rice dipped on expected increase in stockpiles after the summer harvest.
- **West Bengal's rice industry was suffering similar losses due to lower demand but due to imposing** duty on rice imports by Bangladesh, there was a possibility of further reduction in rice exports from West Bengal. Last year, Bangladesh imposed 28% duty on rice imports from India. Because of which non-basmati rice exports came down heavily for Bangladesh. Because of this, there was tremendous decline in rice exports between April and February. From April 1, 2018 to February 2019, only 4.25 lakh tons of rice was exported from India compared to 70 lakh tons in the same period last year.
- **An important agricultural productive state of South India Andhra Pradesh, the target of production** of sowing area and production of different crops has been set for the forthcoming kharif season. It has set target of 84.59 lakh tonnes of paddy, 5.35 lakh tonnes of maize, 2.37 lakh tonnes of arhar (tuvar) and total 95.86 lakh tonnes of foodgrain production. The Andhra Pradesh Agriculture Ministry has increased the production estimation of paddy in the next season. According to the Ministry of Agriculture, the production target of paddy in the next season was 84.6 lakh tonnes, which was 78.28 lakh tonnes last year.
- **India's rice exports during 2018-19 financial year dropped 7.2% to 11.95 million tonnes, according** to latest data from the Agricultural and Processed Food Products Export Development Authority (APEDA). The drop was mainly due to poor demand for non-basmati rice from Bangladesh and African countries, adding exports of non-basmati rice fell 14.5 percent from a year ago to 7.53 million tonnes. Exports of basmati rice, however, rose 8.8% to 4.41 million tonnes during FY 2018-19 from 4.05 million tonnes a year earlier.
- **As per latest update exports of Potato, Onion, Rice, Wheat Flour, Sugar, Dal and Eggs have been exempted from any domestic restriction or prohibitions with effect from April'19** under bilateral trade agreement between India and Maldives. The export quantity for Rice and Wheat flour for 2019-20 is 89.45 thousand tonnes and 78.61 thousand tonnes respectively. The quantity for Rice and Wheat flour is higher by 88.51% and 78.28% respectively compared to 2018-19. India is pushing its exports through G2G trade.

- **The Central Government asked the State Governments to give subsidy of Rs. 500 per quintal to the subsidy given on the old paddy seed and to give the incentive of 1000 rupees per quintal for the paddy of New Variety, the purpose behind this is that the use of old seeds Reduced.**
- **Since the arrival of paddy in the mandis is negligible, the rice market increased by 16% in April. Exports of non-basmati rice decreased 13.6% compared to last year to 67.11 lakh tonnes which was 77.66 lakh tonnes from April to February last year. On the other hand exports of basmati rice increased by 6.5% to 38.55 lakh tonnes. Overall rice exports, compared to last year, exports were down by 7.2% to 105 lakh tonnes.**

International Market Highlight:

- **Unofficial and preliminary Thailand rice exports (excluding fragrant rice) for April 15-21, 2019, totalled 43,611 metric tons, down 92,095 metric tons from the previous week and down 74,059 metric tons from the four week moving average of 117,670 metric tons . Rice exports from January 1 – April 21, 2019, totalled 2,219,471 metric tons, down 24 percent from the same period last year.**
- **In the international market, India's 5% broken parboiled rice was quoted around \$371 - \$374 per tonne this week- down from last week's \$373 - \$376. Aggressive selling of old inventories by China was reported to weigh on the global prices.**
- **Bangladesh has postponed a decision on lifting its ban on rice exports until the completion of summer rice harvest as cyclone Fani is estimated to have partially damaged the summer sown "Boro" crop on 55,600 hectares of land.**
- **Egypt is seeking to buy at least 20,000 tonnes of 10-12 percent broken rice for delivery between July 25 and Aug. 20, a source with Vietnam's Ministry of Industry and Trade was reported saying.**
- **Ivory Coast banned rice imports from Singapore-based commodity trader Olam International for one year after destroying an 18,000-tonne shipment of spoilt.**
- **Rice production in Burma (also called Myanmar) in MY 2019/20 is forecast to increase as farmers increase planting acreage in anticipation of favorable weather and due to attractive prices. Burma's overall rice exports in MY 2019/20 are forecast remain at the same level as MY 2018/19 at 3.0 MMT. There will be some lost market potential in the EU, offset by some increased market potential in China.**
- **From April 1, 2018 to March, 2019, Myanmar's rice and broken rice exports are expected to reach about 2.3 million tons, down about 1.2 million tons compared with the same period last year. Myanmar Rice Federation (MRF) This year, country has exported more than two million tons of rice. The total rice exports are expected to hit about 2.3 million tons including the additional exports in March. In the past, Myanmar's fiscal year was from April 1 to March 31. Since 2018-2018 fiscal year, Myanmar has changed its fiscal year from October 1 to September 30.**
