

Domestic & International Market Highlights:

- As of 5th November, Rabi paddy sowing was done in 5.62 lakh hectares down by 2.8 lakh hectares from 8.42 lakh hectares the previous year.
- With the procurement issue going for parboiled rice in Telangana, the government asked farmers to shun paddy to save themselves from financial losses. While farmers alleged state government encouraging the farmers to grow paddy since last few years.
- With the reduction in excise duty for diesel by almost Rs. 10, it is expected that the rentals for the private paddy harvesters may come down.
- At tarn tarn district of Punjab, the procurement of paddy is taking place at a slow pace. The position in local grain market was bad and there was no space for unloading the paddy to be procured. As per reports, 1 million tonnes of paddy have been procured out of which 9.06 million tonnes have been lifted till November 5.
- Warangal district in Telangana has started the procurement of paddy. As per reports around 0.32 million tonnes of paddy is expected to arrive this year. Around 180 paddy procurement centers were set up in the state.
- India's rice export prices hit 4-month high last week due to limited supplies and a strong rupee. India's 5 % broken parboiled rice variety was quoted at \$364 to \$369 per tonne highest since July 8 up from last week's \$363 to \$367 per tonne.
- Thailand's 5% broken rice declined to \$382 to \$384 per tonne the same level as six weeks ago, from \$385 to \$406 per tonne last week. Lower domestic demand causes a drop in local and export prices while attracting some overseas demand.
- Vietnam's 5% broken rice prices rose to \$430 to \$435 per tonne from \$425 to \$430 per tonne last week. Prices edged up because farmers in the Mekong delta have finished the autumn winter harvest leading to limited supplies. Vietnam's October rice exports totaled at 530,000 tonnes worth \$278 million.
- After procuring over 80 percent of the expected paddy which includes non-basmati arrivals in Punjab's grain market this season, the government has decided to shut all the mandis/purchase centres by November 10 owing to lower arrivals seen in the mandi.
