

### **Domestic & International Market Highlights:**

- During 2020-21, India's rice exports rose by 87 percent to 17.72 MMT compared to 9.49 MMT in 2019-20. In terms of value realization, India's rice exports rose by 38 per cent to USD 8815 million in 2020-21 from USD 6397 million reported in 2019-20. In terms of Rupees, India's rice export grew by 44 per cent to Rs 65298 crore in 2020-21 from Rs 45379 crore in the previous year. In 2020-21, India shipped non-basmati rice to nine countries - Timor-Leste, Puerto Rico, Brazil, Papua New Guinea, Zimbabwe, Burundi, Eswatini, Myanmar and Nicaragua, where exports were carried out for the first time or earlier the shipment was smaller in volume.
- In Nepal, during the first eight months of the current fiscal year, Nepal has imported paddy and rice worth about Rs 37 billion from different countries. Paddy and rice enter Nepal from India, China, South Korea, Taiwan, Thailand, Indonesia, Japan, USA, Italy, UK, Vietnam, and Australia. Paddy worth Rs 13.97 billion has entered Nepal from India alone and at the same time, Nepal imported rice worth Rs 22.57 billion from India.
- White rice markets remain weak for the near term as logistics challenges escalate in major parts of India. From South east Asian markets demand continues to be average. And 100% broken remains low due to unviable price.
- Cambodia's milled rice and paddy exports rose to 1,560,720 tonnes with the end of rice tariffs in the EU. The exports are valued over \$394.6 million, in the first three months of 2022. Paddy exports rose 13.80 per cent year-on-year to \$248,842,399, weighing in at 1,390,181 tonnes, while milled-rice exports increased by 10.96 per cent year-on-year to \$145,810,845, at 170,539 tonnes.
- Currently, 5% broken rice of IR 64 is trading at FOB \$350 per tonne from Kolkata Port and \$368 per tonne from Nhava sheva. The 5% broken rice of Swarna variety is trading at \$334 per tonne from Kolkata.
- The CIF for 5% broken rice includes \$502 per tonne for Togo, \$625 per tonne for Morocco, \$505 per tonne for Benin, \$557 per tonne for Sierra Leone and \$480 per tonne for Djibouti.
- Indian rice markets saw a dull week due to local holidays prevailing in most parts of India. The market is expected to stay highly volatile. The market sentiments remain steady for near term as procurement is yet to start for rabi marketing season.
- As Ramzan has started in most of the middle east countries, the export demand from these countries is expected to reduce which would drive the basmati prices on steady to slightly weak tone.
- Also, in India due to Ramzan fasting, the domestic demand for basmati rice is expected to fall which would also weaken the basmati market.

**FOB PRICES (IR-64)**

Location	Broken %age	Today (\$/tonne)	Yesterday (\$/tonne)
KANDLA PORT	5%	366.05	368.25
JNPT PORT	5%	364.12	366.34
