

Domestic & International Market Highlights:

- Chhattisgarh has deposited 35.85 LMT of arva rice in the central pool against a target of 61.65 LMT of arva rice. For KMS 2021-22, the government have procured 98 LMT of paddy and the farmers registration for KMS 2021-22 was 6 percent higher compared to previous year.
- Nepal traders are urging government to impose 1 % custom fees on import of paddy grains and 15 % on rice. It is expected to discourage imports.
- Pakistan rice prices are showing bullish trend as most of the traders are increasing coverings of short positions.
- 100% broken rice stocks are increasing with the new crop arrivals but the market remains muted as the buyers are staying away from the market for near term.
- As of 11th April 2022, the procurement of paddy stood at 752.68 LMT under KMS 2021-22. The procurement of rice stood at 505.50 LMT
- In Sri Lanka, the rice production fell by 13.9% for the period between 2020-21 and the average yield per hectare fell by 14.4%. The fall in yield and production is due to ban of inorganic fertilizers by the Sri Lankan government to support organic farming. The imports of rice by Sri Lanka is expected to rise from India as there is economic crisis and low production. And today 11,000 MT of rice from India has reached Sri Lankan Port, this is in addition to 16,000 MT of rice sent last week.
- Odisha government is urging center to allocate 100% rice against current 86% under NFSA scheme as Odisha is a large rice dependent state.
- India's rice activities have increased to West African countries, though the overall markets remain flat as traders expects lower prices in coming few weeks as the new crop arrivals will peak in Southern parts of India. For East African countries, the market demand remains normal to high.
- Iran and Pakistan have reached an agreement to use bilateral barter trade. This will help Pakistan with good exports of basmati rice to Iran. And this would also reduce the rice exports from India to Pakistan.
- As per trade sources, 46,900 MT of rice vessel NEFELI is loading at Kakinada Port since 12th April 2022. 54,400 MT of rice vessel PEACE is loading at Kakinada Port since 09th April 2022.
