

**RED CHILLI****Fundamentals:****Today's Update:**

- Mixed sentiments witnessed in Red chilli cash markets on Thursday.
- As per Andhra Pradesh Govt, Chilli sowing as on 11th September 2019 reported 84,533 hectares as compared to 96,484 hectares in the corresponding period last year.
- Overall, the average rainfall received in Andhra Pradesh from 1-6-2019 to 11-09-2019 is recorded as 368.1 mm as against the Normal as on date of 454.5 mm showing by Normal -19 per cent.

**Previous Update:**

- Current year till date no crop damage reported due to rainfall in MP chilli growing regions. Current year expected higher production due to increase in sowing area. However, farmers were picking green chilli earlier as prices reported higher Rs.30 - 40/- kgs, currently due to higher supply prices came down to Rs.20 -25/-kgs even lower. In some areas farmers were still picking green chilli due to continuous rainfall, otherwise chilli plant will lean down due to weight as soil moisture is higher. Some areas minimum virus reported but as a result of rainfall affect percentage will come down. Overall chilli standing crop is reported well current year, if weather favourable in September and October chilli production may go up from earlier estimate.
- Chilli cold storage stocks drastically come down and support the prices. New crop likely to enter from January onwards.
- As per Telangana Govt, Chilli sowing as on 04th September 2019 reported 16,879 hectares as compared to 34,516 hectares in the corresponding period last year.
- Lower cold storage stocks supported the chilli prices at Guntur market. Guntur cold storage stocks reported lower by 40 - 45% from normal level due to lower carry forward stocks during current marketing year 2019-20.
- Chilli prices mainly supported by lower cold storage stocks in the spot market.
- Agriwatch estimate, Madhya Pradesh Red chilli production likely to be around 19 to 20 lakh bags (35 kg) as per current situation if farmers prefer to go for green chilli then red chilli production likely to be around 15 - 17 lakh bags.
