

## Sugar & Gur Domestic & International Fundamentals

- As per the latest UNICA report, Brazil's Centre South region had churned around 2.51 MT of sugar (from 46.5 MT of cane) in the second half of June, 2015 which was 27.4% higher than the sugar crushed in the first half of June, 2015.
- Tenders are invited by TIRUMALA TIRUPATI DEVASTHANAMS, Andhra Pradesh for procurement of 8,50,000 kgs (850 tons) of sugar (s-30) at Tirupati, Opening date for tender has been fixed at 08th July, 2015.
- The Central govt. of India is soon expected to release a relief package of Rs 1950 crore to the cooperative sugar mills in Maharashtra that needs to be utilized for making pending cane arrears to the farmers.
- India's sugar export rose 90% from last week as the country exported 86.1 thousand tons of sugar for the week ending 28<sup>th</sup> Jun, 2015 compared to 45.3 thousand tons sugar the previous week.
- As per the latest data released by Brazil's Trade Ministry, the country exported 1.50 MT of raw sugar in June, 2015 which was 0.79% higher than the export made last year in June, 2014.
- In a bid to support local cane millers, the Brazilian govt. had raised import tariff on ethanol from 9.25 per cent at present to 11.75 per cent. The step is likely to boost the domestic ethanol production while combating the mass shipment from largest ethanol producer U.S.

**Outlook:** Sugar prices are expected to improve a bit due to summer seasonal demand while an excessive sugar surplus will cap the gain.
