

## Sugar &Gur Domestic & International Fundamentals

### Recent Update:

**Steady tone was witnessed in Sugar physical markets today in India.** Sugar prices closed lower in Delhi and Mumbai by Rs.50-60 at Rs. 3260/q and 3420/q respectively. Prices were steady at Rs. 3150/q in Kolhapur and other markets.

**Sugarcane crop gets completely damaged in Tamilnadu.** Cyclone Burevi has caused damage to sugarcane crop in Tiruvarur district of Tamilnadu, the crop was ready to be harvested in next 2-3 weeks but now has damaged completely due to cyclone. The cyclone has brought incessant rainfall to the delta district. According to IMD, the deep depression weakened into a depression over the Gulf of Mannar and is likely to remain practically stationary over the same region and weaken into a well-marked low- pressure area.

### Weather Forecast:

Heavy to very heavy rainfall very likely at isolated places over Tamilnadu, Puducherry & Karaikal and Kerela & Mahe & Lakshadweep. Thunderstorm with lightning likely at isolated places over Lakshadweep, Kerela & Mahe & Tamilnadu, Puducherry & Karaikal.

### Previous Updates:

**Department of cane development has started encouraging 'young sugarcane farmers' through state level cane competitions.** The Department of cane development, Lucknow is working to motivate the young sugarcane farmers of the state for sugarcane cultivation and to infuse competitive spirit in them for increasing per hectare yield of sugarcane. A new category of 'young sugarcane farmers' has been included in the cane competition awards for the year 2021-22.

**Egypt has extended import ban for 3 months.** The Egypt's trade and industry ministry has extended the ban on white and raw sugar for three more months. The decision was taken to have a control over imported products and to control spread of corona virus.

**Congress demands hike in sugar prices.** The Uttar Pradesh congress committee has demanded immediate payment of cane arrears of around Rs 14,000 crore. They also urged to hike sugarcane price up to Rs 450 per quintal. The farmers are reeling under a financial crisis due to non- payment of the bill. Although some sugar mills have started clearing cane dues of farmers in the state.

**Sugar prices slip in Indian market.** According to Indian Sugar Mills Association, the average ex-mill sugar prices in most of the major sates are reported to be declining. In Maharashtra and Karnataka , the ex mill prices were around Rs 3200- 3250 per quintal for last couple of months but has declined to Rs 50-100 per quintal now. Similarly, in northern states the prices were more or less steady. This indicates pressure in the domestic market due to high opening balance, expected increase in production for the current season, delayed export policy announcement by government and no decision yet on increasing the minimum support price of sugar.

**Sugar prices fixed at Rs 83 per kg in Pakistan.** The district administration in Faisalabad has fixed the prices of sugar at Rs 84 per kg. Due to shortage of the commodity, the government was forced to import sugar

earlier to meet the domestic supply. The prices of the sugar are being regulated by the government to ensure that the consumers get sugar at affordable rates.

**Crushing season is at its peak in Maharashtra.** About 157 sugar mills have started cane crushing and by crushing 175.18 lakh tonnes of sugarcane have produced around 150.92 lakh quintals sugar with a recovery rate of 8.62 percent.

**Uttar Pradesh sugar mills clear cane dues.** Four out of five sugar mills in Uttar Pradesh have cleared 100 percent cane dues for the crushing season 2019-20. The sugarcane department has given deadline of one week to the kaptanganj sugar mill to clear dues and also warned of action in case of non-payment.

**Government fixes 21.5 LMT Monthly sales quota for December Month.** The food Ministry has allocated 21.5 LMT of monthly sales quota for December 2020 to each of the 550 mills in India. The allocated monthly sales quota is same as the quota allocated in December 2019. In the previous month the government has given a sales quota of 22.5 LMT to 548 sugar mills.

**Indonesia aims to increase in sugar production.** The Indonesian government is planning to increase sugarcane plantation on 200,000 hectares of land in Java Island through state-owned enterprise and land expansion of 50,000 hectares of land outside Java. The government has set a target to raise sugar output by around 676,000 tons by 2023 reducing the reliance on sugar imports. As a result, the country wants to control the sugar price hike which has risen due to the corona virus pandemic.

**More than 170 hectares of sugarcane crop has been damaged due to cyclone in Puducherry.** According to the preliminary estimates the initial damage due to the cyclone was around Rs 400 crore and about 170 hectares of sugarcane crop has been damaged. The state government would demand initial interim central assistance of Rs 50 crore for post cyclone reconstruction and rehabilitation.

**Sugar millers in Uttar Pradesh are against the hike in State Advisory Price (SAP).** The decline in recovery rate of sugar has increased the production cost of sugar. UP sugar mills are now requesting the government not to increase the SAP for current season. As the sugar mills are not able to recover the cost of sugar production.

**The sugar recovery percentage has reduced in Uttar Pradesh from 9.54% in 2019-20 to 9.15% at the beginning of the crushing season.** The private sugar mills have recorded a decline from 9.57% to 9.16% and the cooperative sugar mills from 9.06% to 8.82%. The decrease in sugar recovery percentage is due to damages incurred to the crop through untimely rains and occurrence of red rot diseases mainly in eastern Uttar Pradesh.

**Aurangabad sugar mill produces 7.96 lakh quintals of sugar.** Sugar mills in Aurangabad have crushed 11 lakh tonnes of sugar till date. Total 19 private and cooperative sugar mills are participating in crushing operations. Earlier 22 sugar mills have applied for license to start sugarcane crushing, out of which 20 sugar mills were granted permission and are currently operating.
