

Today's Update:

- Tur Desi cash prices traded up by INR 50 at INR 8300 per quintal in Raipur while it traded unchanged at INR 7250 per quintal in Kanpur. Any major decline in prices is not likely to sustain for long as of now given the lower crop and limited stock availability despite the fear of strict action by Govt. on rising prices. Demand is reportedly good for processed Tur (Dall) amid ongoing marriage season and upcoming festivities.

Previous Update:

- Tur prices traded slightly weak at INR 7150 per quintal in Kanpur, down by INR 100 on profit booking and fear that Govt. would take some stringent action if prices increase further. However, any major decline in prices is not likely to sustain long as of now given the lower crop and limited stock availability. Demand is reportedly good for processed Tur (Dall) amid ongoing marriage season and upcoming festivities which would restrict any major decline in prices.

International Market Update:

- C&F offers for Lemon Tur increased by \$50/MT to \$960 per MT from \$910 per MT last week.
