

Today's Update:

- Tur prices remained firm in various markets on good demand for processed Dal for upcoming festival and import disparity mainly from Myanmar. Tur prices likely to be firm in coming days too, however, fear of strict action by Govt. on rising prices may keep prices under check.

Previous Update:

- Tur Desi cash prices traded up by INR 50 at INR 8300 per quintal in Raipur while it traded unchanged at INR 7250 per quintal in Kanpur. Any major decline in prices is not likely to sustain for long as of now given the lower crop and limited stock availability despite the fear of strict action by Govt. on rising prices. Demand is reportedly good for processed Tur (Dall) amid ongoing marriage season and upcoming festivities.

International Market Update:

- C&F offers for Lemon Tur increased by \$50/MT to \$960 per MT from \$910 per MT last week.
