

Today's Update:

- The Department of Consumer Affairs has constituted a Committee for monitoring Tur stocks held by various entities such as importers, millers, stockists, traders etc. in close coordination with the state governments. The Committee will be chaired by Additional Secretary, Smt. Nidhi Khare. The decision has come against the backdrop of reports of market players not releasing stocks despite regular arrival of imports in good quantities. However, new development is not likely to impact much on firm sentiments / trend given the background of limited stock at domestic end amidst stock holding intension among Myanmar traders which has helped in increase in C&F quotes specially for Myanmar influx.

Previous Update:

- As per trade sources, total 35,300 imported Pulses including 24,450 MT Tur and 10,850 MT Urad arrived at Chennai port during 1-20th March, 2023 against total 19,825 MT Pulses including 14,625 MT Tur and 5,200 MT Urad during 1-11th March, 2023.

International Market Update:

- C&F offers for Lemon Tur increased by \$25 to \$1015 per MT, basis Indian port last week.
