

Today's Update:

- Tur traded firm due to negligible arrivals in the markets, higher C&F quotes, arrivals from South African countries delayed and Increase in Import disparity by INR 500-600 per qtl.
- Burma C&F quotes for Lemon Tur increased by 25\$ to 1090\$ per MT basis Indian port. However analyzing the current scenario Tur prices may increase by INR 100-200 per qtl in upcoming days however, Government action again rising price may steady the price temporally.

Previous Update:

- Tur traded at INR 8350 per quintal, up by INR 150 in Kadapa market of Andhra Pradesh and at INR 9500 per quintal, up by INR 300 per quintal due to good HORECA demand. Millers and processors are reportedly active for processed items amidst limited stocks at ports which is supporting the prices. Simultaneously, rise in C&F offers from Myanmar from time to time also adds to the sentiments. Market prices are likely to remain firm in coming days too as the market would try to cover up the gap created by import disparity. Currently, import disparity is between INR 500-600 per quintal.
