

Today's Update:

- Ministry of Trade and Industry, Govt. of Malawi, has recently revoked all export licences for crops including Pigeon Peas (Tur) and cowpeas to curb smuggling and undocumented or illegal trade. The decision is supposed to ensure compliance with export regulations and to maintain market stability. After the recent official step, Malawi exporters have to reapply for fresh export licences. For the purpose, the Ministry will strengthen patrols and conduct spot checks.
- Tur traded down by INR 200 to INR 9600 per quintal in Raipur due to slow demand at higher prices amidst huge disparity in imports because of continuous increase in C&F prices. However, today, C&F offers reduced by \$50 to \$1140 per MT, basis Indian port which has already increased from \$806 per MT seen in first week of January. Despite this huge fall in C&F offers, any sudden and big fall is unlikely in prices in near future. Sentiments likely to remain firm in coming days too.

Previous Update:

- According to India Meteorological Department (IMD), the SW Monsoon has advanced into some parts of Southeast Bay of Bengal, Nicobar Islands and South Andaman Sea on May 19th, 2023. However, it had also predicted earlier that the onset of SW Monsoon over the mainland "Kerala" is likely to be delayed from normal date of onset and may reach on 4th June, 2023 with a model error of +/-4 days.
- Tamil Nadu Civil Supplies Corporation (TNCSC) recently has invited Online tender for the purchase of 20,000 MT of Tur Dal (split-husked & fatka) [Indigenous] / Tur Dal (split husked-imported) / Lentil locally known as Canadian Yellow Lentil (Split-Husked & Laired No. 2) / Lentil locally known as Canadian Yellow Lentil (Whole-Husked & Laired No.2) as per AGMARK specification.
