

Pulses Domestic Fundamentals:

Today's Update

- As per data available from the Ministry of Commerce, India has imported 66,773 MT of Urad during the month of November 2022 as compared to 46,075 MT in October 2022. However, a quantity of 69,011 MT was imported during October 2021.

Previous Update:

- Urad weekly average prices featured an easing trend during the week under review. In Mumbai, Urad FAQ prices declined to INR 6,600 per quintal, down by 1% while Urad FAQ and SQ prices in Chennai eased to INR 6500 and INR 7150 per quintal, down by 1% each respectively from the last week. Arrivals of Rabi Urad from southern states mainly Tamil Nadu and Andhra Pradesh along with influx of imported Urad from Myanmar keeping the prices in check. Discounted C&F offers from Myanmar are also keeping the prices in check. The C&F offers for Urad FAQ quoted at \$750/MT down by \$30/MT from last week. Stockists are also keeping themselves away from the markets amid continuous easing in prices at present. On the other hand, demand in Urad Dall is likely to improve with the start of festivals from mid-January which would support the prices in coming weeks to some extent

International Market Update:

- Myanmar is offering FAQ Urad at \$790 per MT, lower by \$10, w-o-w basis. Similarly, SQ traded at \$880 per MT, lower by \$5 basis Indian port.
