AGRIWATCH

#### **Domestic Fundamentals:**

- Sideways to slightly firm trend witnessed in major edible oils owing to bullish cues from the international palm oil market and good demand at cash market ahead of festivities in July, Friday.
- Soybean oil featured gains at Indore market owing to thin soybean arrivals in the cash market, and talk of El Nino may threat the oilseeds and oil palm production in the current season. Crude soybean oil at Indore market quoted at Rs 625/10 Kg, up Rs 5/10Kg from yesterday's quotes. Soybean oil CIF June quoted at USD 927/T. While, July is offered at USD 923/T on Friday. As per Bloomberg survey, crude and refined palm oils shipments fell 12 percent to 6.68 lakh tons in May. While, crude soybean oil seen at 1.86 lakh tons and sunflower imports at 1.5 lakh tons for May.
- As per IBIS data (complied by Agriwatch), India imported 1.53 lakh tons of CPO and RBD Palmolein from South East Asian countries, 0.41 lakh tons of sunflower oil from majorly from Ukraine and 0.302 lakh tons of CDSO majorly from Argentina and Brazil during 02-08 June, 2014.
- Edible oil basket is expected to feature steady tone in the near-term. While, higher world soybean output projections from last year may cap the gains.

#### **International Market Fundamentals:**

- Malaysian palm oil futures ended higher on Friday owing to firm trend in crude oil prices and El Nino concern may damage the oil palm production, if materialize. However, rising palm oil inventories curb the excessive gains.
- As per the latest USDA's WASDE report for June, US soybean ending stocks for the 2014/2015 is projected at 325 million bushels, down 5 million bushels from May projection. While, soybean oil ending stocks seen at 75 million lb for 2014/15. For 2014/15, soybean season-average price is projected at \$9.75 to \$11.75 per bushel, unchanged from last month. Soybean oil prices are projected at USD 37 to 41 cents per pound unchanged from last month.

**Outlook:** Edible oil basket is expected to feature steady tone in the near-term.
