

Wheat Domestic Fundamentals:

Wheat cash market traded mixed on Tuesday. However, tight supply side for premium/milling grade wheat, imposition of duty may push market further up in the weeks ahead. Bulk users of wheat may turn to central pool stock.

India has exported 2874.52 tonne wheat in the first week of August till 2nd August. at an ave FOB price of \$279.21 per tonne. During the same period wheat import was registered at 48551.21 tonne at an Ave CIF of \$269.07 per tonne. Wheat has been imported from Australia at Tuticorin and Cochin port.

Wheat stock in central pool was registered at 367.78 lakh tonne on 01st August, 2015. The off-take from central pool stock was lower in the month of July. However, firming of cash market and short supply of premium and milling grade wheat may encourage millers towards govt.'s stock.

Total wheat procurement was registered at 280.88 lakh tonne as on 14.07.2015 as against 271.66 lakh tonne during same period last year. Punjab has contributed 103.44 lakh tonne so far, followed by Haryana 67.78 lakh tonne. M.P. contribution stands at around 73.09 lakh tonne. Rajasthan has procured only 13.0 lakh tonne. Overall procurement is up by 3.39 percent this year.

Agriculture statistics Division, DES has released Third Adv. Estimates of Production of foodgrains for 2014-15 on 13.05 2015. It has revised wheat production estimate down by 4.9 MMT to 90.78 MMT. In second Adv Est. production was estimated at 95.76 MMT. The drastic decrease in third Adv. Est is mainly attributed to inclement weather conditions in March and April. India has produced 95.85 million tonne wheat in 2013-14.

International Market Update:

Wheat export prices of Russia remained flat last week as shippings were slow after delayed harvesting and a state wheat export tax launched on July 1.

IGC has revised global wheat production estimate down by 1 million tonne to 710 MMT for 2015-16. The main reason for downward revision is attributed to lower production in India (from 91 to 89 MMT now), Australia (from 27 to 25.5 MMT) and EU (from 150 to 148.5 MMT). However, it has revised Ukraine wheat production estimate up from 21 to 22 MMT. Global wheat trade has been estimated 1 million tonne higher to 150 million tonne.

IGC has revised global wheat carry out stock up by 5 million tonne from 196 to 201 MMT for 2015-16. Global consumption too has been revised 1 million tonne down to 712 million tonne. Cheap Black Sea feed wheat replacing corn in animal rations Philippines booked 100,000 T in recent deals at \$210-\$220/T. S. Korea may buy 1 mln T a month if wheat remains competitive.

South Korea's CJ Cheiljedang Corp 097950.KS issued an invitation to bid (ITB) seeking a total of 50,000 tonnes of wheat to be sourced from Australia for shipment between Dec. 16, 2015 and Jan. 15, 2016 via a tender.

Domestic market Outlook: Wheat cash market is likely stay steady to slightly firm.
