

Wheat Domestic Fundamentals:

Cash market may continue to trade firm as arrival starts declining and private participants are active. Govt.'s procurement in Rajasthan and Uttar Pradesh may decrease from last year as wheat price is hovering high from MSP. Private participants are offering higher price at this point of time. They offer farmers around Rs 1545 to Rs 1580 per qtl. in Bihar and Uttar Pradesh. They offer even higher price in the range of Rs 1600 to Rs 2000 per qtl.) for premium grade in MP and Rajasthan.

Production estimate for Bihar and Uttar Pradesh may be revised down as grain size is thinner than normal. Overall yield in these states is lower by 30 and 15 % from normal respectively. Govt estimate for these states is much higher.

Total procurement till 25th April was registered at 22.3 MMT against 15.5 MMT last year till date. The pace for procurement may get slower now in Punjab, Haryana and Madhya Pradesh. While it may continue with similar pace in Uttar Pradesh. Cash market may rule steady to slightly weak.
