

**Wheat Domestic Fundamentals:**

**As per notification issued by CBEC, government has increased import duty on wheat to 30 percent** from current 20 percent in order to curb imports and provide support to domestic prices. Government has ample wheat stock this year due to good procurement and increase in import duty will curb inflow of wheat from other countries like Australia and Russia/Ukraine.

**All India weekly average prices increased by 6.84 percent to Rs. 1947.59 per quintal** during the week ended 23rd May 2018. Wheat average price were ruling at Rs 1822.82 per quintal during 09-15 May 2018. As compared to prices in the week 16-23 May 2017, the prices are weak by 1.28 percent. Prices are expected to remain firm in coming days due to decrease in arrivals and expected increase in import duty.

**Government agencies have started procurement since 15th March'18. Until 21st May'18 government has procured around 332.60 lakh tonnes of wheat.** Of the total quantity procured, around 126.12 lakh tonnes have been procured from Punjab, 87.37 lakh tonnes from Haryana, 36.05 lakh tonnes from Uttar Pradesh, 67.80 lakh tonnes have been procured from Madhya Pradesh, 13.99 in Rajasthan, 0.78 lakh tonnes from Uttrakhand, 0.14 lakh tonnes from Chandigarh and 0.35 lakh tonnes from Gujarat. In Rabi marketing season 2018-19 government has set procurement target of 32 MMT.

**As per trade sources, import quotes for wheat from various origins to Tuticorin port, witnessed firm tone in the week.** Traders are not quoting prices for APW due to lower availability. As of now Tuticorin port price ASW at Rs 2025-2035 per quintal and Ukrainian wheat at Rs 1870-1880 per quintal. Wheat supplies are likely to tighten this year.

**As per latest update, until 19th May'18 a total of 126.64 LMT of wheat has been procured in Punjab.** Government agencies have procured 126.09 LMT of wheat whereas private trade has procured 55436 MT. Furthermore, around 123.99 LMT of wheat has been lifted from mandis and Rs 18911 crore has been paid to farmers. Of the total quantity, PUNGRAIN had procured 29.23 LMT, MARKFED had procured 27.64 LMT, PUNSUP had procured 24.30 LMT, PSWC had procured 17.11 LMT, PAFC had procured 12.60 MT and FCI had procured 15.20 LMT of wheat.

**As per third advance estimate, India is likely to produce 98.61 MMT of wheat compared to 97.11 MMT** in second estimate. The total food grain production is expected at record 279.51 MMT, up by around 0.72% compared to second estimate.

**As per trade source, India has exported around 4.24 thousand tonnes in the month of April** compared to 1.84 thousand tonnes in March. The quantity in March was exported at an average FOB of \$ 357.32 per tonne and the major destinations were UAE, UK, Sri Lanka, Vietnam and Somalia. Exports are likely to be at lower side as other countries are able to provide quality wheat at competitive prices.

**Wheat WPI has increased slightly from 141.2 in March-2018 to 140.9 in April-2018.** Monthly wheat inflation has decreased by 0.21 percent in March -2018 compared to previous month. As compared to March -2017 wheat WPI has decreased by around 0.07 percent.

**As per trade source, India has imported around 30780.34 tonne wheat from Australia in the month of February** at an average CIF of \$256.50 per tonne. The entire quantity has been imported at Tuticorin port. Furthermore, no wheat has been imported in the month of March due to expectation of good crop.

**International Market Update:**

**Russian milling wheat prices remained weak by \$1-2 per tonne compared to last week.** Export prices eased due to better weather conditions and expectation of early harvest of new crop. Russia is expected to produce around 74 MMT of wheat in 2018-19. As of now Russian milling wheat with 12.5% protein content at Novorossiysk port is being quoted at FoB \$209.00-213.00/tonne whereas milling wheat whereas wheat with 12.5% protein content at Odessa is being quoted at FoB \$208.00-212.00/tonne.

**Algeria state grains agency OAIC has bought around 700000 tonnes of milling wheat** in a tender that closed on Wednesday. The prices paid were in the range of \$228.0-228.50 per tonne (Cost and Freight). Origin of wheat is optional but most of it likely to be from France. The country does not disclose the results of its tenders and purchase reports are based on trade assessments.

**As per latest update, Japan's ministry of agriculture bought 96870 MMT** of food quality wheat from United States and Canada. Around 63735 MMT has been bought from United States and around 33135 MMT with minimum 13.5 percent protein content has been bought from Canada. Shipments from United States and Canada will be loaded between June 21 and July 20, 2018.

**Outlook:** Cash market is expected to trade steady to firm in the near term.
